Negotiations, Ratifications, and Publication

1. Negotiations

The process for a new negotiated agreement began over a year ago with the LCEA negotiations team developing a member survey. Results of this survey helped the team to develop priorities based on our members' input.

Next, there were a series of team meetings prior to meeting with the school district.

The first meeting with the school district was held on April 14, 2011. Meetings with the school district were also held on May 24, 2011, June 21, 2011, September 22, 2011, November 16, 2011 and a tentative agreement was reached on November 17, 2011.

Summaries of all negotiations sessions were posted on the LCEA website. Here is a direct link to the negotiations page:

<http://www.lcea-nv.org/negotiations.html>

2. Ratifications

Before the negotiated agreement can be considered official, it must be ratified by both sides. Members of the Lyon County Education Association voted to ratify the agreement. Results of the vote were tallied on December 13, 2011. 97 percent of the members ballots cast were in favor of ratification. There were 227 yes votes and 8 no votes.

On Tuesday, January 24, 2012 the Board of Trustees of Lyon County School District will be voting on ratification.

3. Publication

After both sides have ratified the new negotiated agreement, publication will take place. The negotiated agreement will be available in two formats, .html and .pdf, on the LCEA website.
