NSEA President's Update

By Lynn Warne, Nevada State Education Association President

NSEA Endorsed Candidates Win Big! More than 75 percent take races

NSEA is happy to report that approximately 75 percent of the endorsed candidates won their elections Tuesday.

"We're so proud of those candidates and are happy that the hard work and commitment of our members contributed to the success of these individuals," commented NSEA President Lynn Warne. "We look forward to working hand in hand with these incumbents and newly-elected leaders to see the ever-increasing needs of K-12 public schools in Nevada are met."

The next step is preparing for the 2009 Legislative Session. NSEA will be on the ground in Carson City lobbying Nevada's lawmakers to protect members' rights as well as to implement legislation to ensure we can provide quality public schools for Nevada's students. We will be counting on your involvement and support throughout the session. Stay tuned for ways in which you can become involved to ensure our success in Carson City.

Passage of Questions 5 in Clark and WC#6 in Washoe Counties Send a Clear Message

We did it! Question 5 in Clark County and WC 6 in Washoe County passed with significant voter approval. The approval of the advisory questions sends a clear mandate from the community that our state's education funding should be a top priority.

Our next step will be to head to the legislature and provide them with the evidence they need to approve our education funding solution.

While we are hopeful the legislature will respond to the will of the voters, if they choose not to act on the initiative within 40 days of the 2009 Legislative Session, the question will appear on the 2010 general election ballot for final voter approval.

Stay tuned for more information and for ways in which you can get involved. Thanks again for all your support!
